- POLYAMIDE PIPE
- INSULATORS

read about us

KAPSON[®] was established in 2008 with the vision from our Managing partner who has vast experience in Electrical field of over 40 years with the prime moto QUALITY.

Quality and customer satisfaction is our prime concern. We are able to maintain high quality standards through new technology machines and infrastructure.

Our team of experts maintains a regular check and updates on the quality and raw material standard and continuously improving and finding innovative ideas to serve our clients better

We believe in providing inventive innovative solutions to all technical problems of the customer. The Focus is on providing support at all levels of the product manufacturing-from concept to the time the product goes to the market. Our policy and associated quality objectives are reviewed communicated to all employees on a regular basis.

OUR ASSURANCE

**HIGH-QUALITY
PRODUCT**

**FOCUS ON
INNOVATION**

**CUSTOMER
SATISFACTION**
